Hi,
Miranda and Andrew (ecology) shared these documents with each other--our draft of a Desk Statement and their draft of a communication to their stakeholder group. These two documents don't conflict and neither undermines the other party. Mark said he will check-in with his Ecology communication counterpart and refine our desk statement to share with them. Let Mark and I know if you have comments on the attached draft desk statement.
thanks

Hi Dave,

Here is our draft desk statement and Ecology's draft cover letter (you'll see some of my comments, which I relayed to Andrew already).

Thanks,

Miranda
